

Military Opportunities

For the third year in a row, Lake Superior State University (LSSU) has been identified by G.I. Jobs Magazine as a Military Friendly School. This honor places us in the top 20% of all schools nationwide. We are proud of this distinction and are honored to provide a great education to our veterans.

National Guard Members

Lake Superior State University is pleased to offer this educational opportunity to all active drilling Michigan National Guard members eligible under National Guard Federal Tuition Assistance. It is available at our main campus in Sault Ste. Marie, as well as at our regional centers in Dearborn, Escanaba, Gaylord and Petoskey. Essentially, the program takes the stipend you receive through the National Guard Federal Tuition Assistance program, which is intended to partially cover the costs of taking college courses, and accepts that stipend as full payment for tuition. Visit the Veterans website indicated above to print the required form, [Michigan Army & Air National Guard Verification Form](#).
