Lake Superior State University
INSTRUCTIONS FOR COMPLETING APPLICATION FOR ADMISSION

Freshman Admission

A freshman student is defined as a student who has not enrolled in a postsecondary institution anytime after the summer following high school graduation.

You may apply to LSSU anytime after the end of your junior year of high school. The best time to apply is early in your senior year. Applications are processed continuously and when all necessary materials have arrived you will be notified of a decision as soon as possible. The primary factors used to determine admission are cumulative grade point average (GPA), high school course curriculum, and ACT or SAT results.* LSSU recommends that students follow a college preparatory curriculum mirroring the Michigan Merit Curriculum. The middle fifty percent of our entering freshman class typically have high school GPA's ranging from 2.7 to 3.3 and ACT scores ranging from 18-24. Students should feel free to submit any additional materials which may aid the Admissions Office in reviewing unusual circumstances which may have impacted high school performance.

Currently enrolled in high school

Complete Part I of the application form.

Submit your entire application and a \$35 non-refundable check or money order (U.S. funds-payable to Lake Superior State University) to your high school principal or counselor for completion of Part II. The application and a copy of your high school transcript and ACT or SAT scores must be mailed directly to the Admissions Office from your high school.

NOT currently enrolled in high school

Complete Part I of the application form.

Submit your entire application and \$35 non-refundable check or money order (U.S. funds-payable to Lake Superior State University) to the Admissions Office.

Have your high school transcript and ACT or SAT scores mailed directly from your high school to the Admissions Office.* If you withdrew from high school prior to graduating you may submit GED results.

International Students

If you are a citizen of any country outside of the U.S. or Ontario, Canada, you should complete the application according to your status: Freshman, Transfer, or Readmit. Additional materials are required to complete your application. There is a \$35 non-refundable application fee (U.S. funds-payable to LSSU) For a complete list of required materials, please visit www.lssu.edu and click on prospective students or contact the Admissions Office at 1-888-800-LSSU (5778).

Transfer Admission

A transfer student is defined as a student who enrolls in a postsecondary institution anytime after the summer following high school graduation and then applies to Lake Superior State University.

Transfer students must possess a 2.0 cumulative college GPA and be eligible to return to their former college(s).

Complete Part I of the application form.

Attach a \$35 non-refundable check or money order (U.S. funds-payable to Lake Superior State University). Send to the LSSU Admissions Office.

Request an official copy of your transcript be sent directly to the Admissions Office from each college/university you have attended.

If you have completed fewer than 19 semester (29 quarter) hours of transferable college credit (C- or higher), you must also send an official high school transcript or GED scores in addition to your college transcript. ACT or SAT scores will also be used unless you graduated from high school more than two years ago.

For all schools you have attended, besides Michigan Community Colleges, please provide course descriptions from the year(s) you attended. Please write your name and school on each page of the course descriptions.

Your application will be processed and an evaluation of transfer credit will be made as soon as all required materials are on file in the Admissions Office.

Readmission

Former LSSU students who miss one or more semesters (not including summer) must reapply. You should: Complete Part I of the application form.

If you have attended another college/university since you last applied or attended LSSU classes, you must have official transcripts sent from the other institution(s).

If you previously paid the application fee you do not need to pay it again.

Your application will be processed and an evaluation of transfer credit will be made, if necessary, as soon as all required materials are on file in the Admissions Office.

*ACT or SAT scores will not be used in the admissions process if you graduated from high school two or more years ago.

Upon request, Lake Superior State University will provide persons with disabilities promotional literature and comparable recruitment efforts in a medium in which they can communicate.

It is the policy of Lake Superior State University that no person shall be discriminated against, excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination in employment, or in any program or activity for which the University is responsible on the basis of race, color, national origin or ancestry, gender, age, disability, religion, height, weight, sexual preference, marital status or veteran status. The following people have been designated to handle inquiries regarding the nondiscrimination policies:

Applicants for admission and students: Vice President for Student Affairs, Administration Building, Lake Superior State University, 650 W. Easterday Ave., Sault Ste. Marie, MI 49783. 906-635-2273

Applicants for employment and employees and ADA concerns: Director of Human Resources, Administration Building, Lake Superior State University, 650 W. Easterday Ave., Sault Ste. Marie, MI 49783. 906-635-2697

The information in all Admissions Office publications is only for your information and is not part of an enrollment contract.
