Students must earn at least 128 credits. Overall GPA must be a minimum of 2.0, in addition to a 2.0 GPA or above in departmental requirements.

Residency requirement: students must earn at least 32 credits from LSSU & 50% of their departmental required 300/400 level credits in LSSU courses.

Students should complete an Associate's Degree at Bay de Noc Community College with MACRAO Certification to meet LSSU's general education requirement. Check with your Bay College advisor and the Bay Catalog regarding requirements.

Credit may be granted for basic nursing course approved through formal articulation agreements with the program or for programs without formal articulation agreements, through review of the course syllabus, credentials of the faculty teaching the course, clinical practice experiences placement in the program and course grade. These credits are granted upon successful completion of NU360 and NU363. Students who completed a hospital diploma program, an integrated curriculum program or took nutrition and /or pharmacology as part of an LPN program may receive University credit by taking the appropriate NLN examination, passing it at the 50 percentile or higher. NLN tests may be repeated once; students must enroll in the course if not successful on the second writing. Mathematics proficiency at the MA086 level is also required.
