

Occupational Education Day 2009

**Career Services
Lake Superior State University
Fine Arts Center
Tuesday, April 21, 2009
9:00am-1:30pm**

Occ-Ed Day is an annual event hosted by LSSU to give area high school juniors an opportunity to explore different career options. Guest speakers will highlight information on education and skills needed for various careers, as well as tips on preparing for college. Students may also tour our campus or specific departments of interest, enjoy a complimentary lunch in the Quarterdeck, and have a chance to win cool prizes!

Event Schedule:

8:45-9:15am	Check-in	Fine Arts Center
9:15-Noon	Career Program	Fine Arts Center
Noon-1:15pm	Lunch	Quarterdeck (Cisler Center)
12:00-2pm	Tours Available	Meet at Cisler Center
	-Full campus tour (approx. 45-60 minutes)	
	-Departmental Tours (approx. 20-30 minutes)	

We have changed the format of Occ-Ed Day for this year. The program will be held in the Fine Arts Center. This will allow each student to be exposed to many different careers and not just one cluster of careers. This will also save you some work, since we won't need to have students sign up for specific groups. Also, tours will be optional, either before lunch or after lunch. Previous surveys have indicated that many students did not wish to tour campus. So now, it will be their choice whether to take a tour of campus or perhaps just one section of campus that they may be interested in viewing.

Please let us know if you would like to join us on April 21st, by emailing or faxing the following information by April 10th to: Theresa Weaver, tweaver@lssu.edu, fax: 906-635-7564.

Thank you!
