

GENERAL APPLICATION INSTRUCTIONS AND GUIDELINES

Admission Process: Your admission to the LSSU Professional Education (Certification) program will be based upon meeting a) objective standards (completion of required courses, passing the MTTC, etc.) and b) performance standards (GPA, writing proficiency, etc.) Scoring rubrics for the performance standards are provided below:

A. Overall Grade Point Average (g.p.a.)

Your overall grade point average (on a 4.0 scale, 4.0 = A) for the courses you have taken in college including courses you have transferred to LSSU. The scale is from zero to 4.0 points.

B. Writing

Each applicant will complete an extemporaneous essay written at LSSU Testing Center. Schedule an appointment by calling: 906-635-2452. Writing samples will be scored on the basis of construction (grammar and syntax) and content (quality of analysis, extent of addressing question).

4 pts. Distinguished; 3 pts. Adequate; 2 pts. Marginal; 1 pt Unacceptable

Construction	Content
Run-on sentences	Student clearly addresses the issue
Sentence Fragments	Student takes a position on the issue
Punctuation	Reasons/grounds for student's position are enumerated
Misspelled words	Each reason/ground is supported and developed
Wrong words (e.g., <i>our</i> instead of <i>are</i>)	The student provides a logical, well-developed conclusion
Awkward sentences (syntax and word choice problems)	
Subject-verb agreement	

C. Teaching/Child – Related Experiences

These will be evaluated from your list of experiences.

4 pts. Extensive Experience: volunteering in schools and working with children of the age you wish to teach, substitute teaching.

3 pts. Some experience with children and teaching/tutoring, etc....

2 pts. Some experience with children (babysitting, siblings, etc...); no teaching.

1 pt No experience with children.

D. Interview

Interviews with representatives of LSSU.

4 point scale based upon applicants ability to:

1. Demonstrate a commitment to the teaching profession.
2. Demonstrate the skills and attributes necessary to be an effective teacher including: personal responsibility, self discipline, productivity, ability to relate to others, proper use of formal English, and an ability to express ideas clearly.

In the event that more students qualify for admission to the Professional Education (Certification) program than University resources can accommodate, a selection system may be established. The criteria to be used in selecting students will include, by way of example, but not by way of limitation: gpa's, faculty recommendations, representation from under-represented populations, and teaching subject area demand.
