

2009-2010 Verification Worksheet

Federal Student Aid Programs

Dependent Student

Your application was selected for review in a process called "verification." In this process, LSSU will be comparing information from your application with signed copies of your 2008 Federal Income Tax forms and your parent(s)', or with W-2 forms or other financial documents. The law states we have the right to ask you for this information before awarding Federal Student Aid. Please try to complete the verification as soon as possible so that your financial aid won't be delayed. You must provide the required documents before the end of the academic year or before you drop below half-time status, whichever comes first. **Your financial aid will not be processed until verification requirements are complete.** LSSU must review the requested information, under the Federal Financial Aid Program rules and make any necessary corrections (CFR Title 34, Part 668).

What happens next:

1. Collect your and your parent(s) financial documents (signed and dated Federal Income Tax forms, W-2, etc.).
2. Contact the Financial Aid Office if you have questions about completing this worksheet.
3. **Complete each section and sign this worksheet** – you and at least one parent.
4. Submit the completed worksheet, tax forms, and any other documents to the Financial Aid Office.
5. The Financial Aid Office will complete the verification and make any necessary corrections to your FAFSA.
6. You will receive an Official Offer of Award once verification is completed.
