"Over the many years as a Laker Club member, I have enjoyed cheering on our student-athletes. To see these alumni come back with their own young families makes me proud to be a part of the support group for Laker athletics. The Laker Club builds strong relationships while also providing critical support to the program."

—Dr. Robert Arfstrom,
Honorary Doctorate Recipient, 2005

**BELIEVE IN
BLUE**

"It is extremely rewarding to watch and read about our successful Laker teams and athletes. Our student-athletes and teams are passionate competitors in their sport and in the classroom. They have earned and deserve the support of alumni and friends of the program. Laker Club memberships provide our athletes and coaches with the opportunity to compete on a more level budgetary playing field. Support our Lakers so that their success will make us all proud."

Greetings from Laker Athletics,

During my time as Athletic Director, I have witnessed the transformation of our student-athletes from that first meeting at the beginning of their freshman year to the night of their final athletic banquet when we recognize their outstanding accomplishments in the classroom and in competition. There is a sense of pride in what they have done during their time here. It requires a team approach of our faculty and staff along with alumni and friends of our program to make these transformations happen.

One of the best ways to help is by becoming a Laker Club member. Membership support is earmarked to the two most daunting challenges of funding a competitive athletic program at LSSU: **scholarship aid and operational support.** Your membership will ensure our almost 200 student-athletes will continue to enjoy these life-changing experiences.

Please consider joining our team as a Laker Club member this year.

Go, Lakers!

Kris Dunbar
Director of Athletics
