- I am applying as a senior citizen 60 years of age or older. (Please supply copy of Michigan Driver's License).
  
- I am applying as a student. Students auditing a class are assessed full tuition and fees for the course and an AU grade is recorded on the student's official transcript if the student completes the course. Auditing a course does not count as part of a student's official class load for determining financial aid eligibility, veteran's benefits or any other enrollment certification requirements. Students may change from an audit to credit status during the first week of classes and only with the concurrence of the faculty member for the course. This change must be processed through the Registrar's Office for grading purposes.
