

**LSSU Course Schedule - Tentative Summer 2010**

| <b>SUBJ</b>                      | <b>CRSE</b> | <b>CREDITS</b> | <b>TITLE</b>                   |
|----------------------------------|-------------|----------------|--------------------------------|
| <u>Accounting</u>                |             |                |                                |
| ACTG                             | 132         | 4.000          | Principles of Accounting I     |
| ACTG                             | 133         | 4.000          | Principles of Accounting II    |
| <u>Biology</u>                   |             |                |                                |
| BIOL                             | 105         | 4.000          | Function of the Human Body     |
| BIOL                             | 107         | 3.000          | Field Biology                  |
| BIOL                             | 121         | 4.000          | Human Anatomy & Physiology I   |
| BIOL                             | 213         | 3.000          | Ornithology                    |
| BIOL                             | 337         | 3.000          | General Ecology                |
| <u>Business</u>                  |             |                |                                |
| BUSN                             | 231         | 3.000          | Business Communications        |
| BUSN                             | 355         | 3.000          | Business Law II                |
| BUSN                             | 399         | 4.000          | Internship in Discipline       |
| BUSN                             | 405         | 3.000          | Business Ethics & Soc Res      |
| <u>Chemistry</u>                 |             |                |                                |
| CHEM                             | 104         | 3.000          | Life Chemistry I               |
| CHEM                             | 115         | 5.000          | General Chemistry I            |
| CHEM                             | 116         | 4.000          | General Chemistry II           |
| <u>Communication</u>             |             |                |                                |
| COMM                             | 101         | 3.000          | Fund/Speech Communication      |
| <u>Computer Science</u>          |             |                |                                |
| CSCI                             | 418         | 3.000          | Senior Project I               |
| CSCI                             | 419         | 3.000          | Senior Project II              |
| <u>Criminal Justice</u>          |             |                |                                |
| CJUS                             | 101         | 3.000          | Introduction Criminal Justice  |
| CJUS                             | 110         | 3.000          | Introduction to Corrections    |
| CJUS                             | 345         | 4.000          | Stats & Design/Public Safety   |
| CJUS                             | 401         | 3.000          | Senior Seminar                 |
| CJUS                             | 402         | 3.000          | Law Enforcement Internship     |
| CJUS                             | 402         | 3.000          | Corrections Internship         |
| <u>Early Childhood Education</u> |             |                |                                |
| CHLD                             | 261         | 4.000          | Practicum II                   |
| CHLD                             | 430         | 4.000          | Dir Studies Early Childhood Ed |
| CHLD                             | 450         | 4.000          | Intrn Tch Infant/Toddler PrePr |

|                                   |           |                                |
|-----------------------------------|-----------|--------------------------------|
| <u>Data Processing</u>            |           |                                |
| DATA                              | 235 3.000 | Spreadsheets                   |
| <u>Emergency Medical Services</u> |           |                                |
| EMED                              | 190 4.000 | Prehsp Em Care/Crisis Intv I   |
| EMED                              | 191 4.000 | Prehsp Em Care/Crisis Intv II  |
| EMED                              | 299 4.000 | Paramedic Field Internship     |
| EMED                              | 301 2.000 | Natl Registry Certificatn Prep |
| <u>Environmental Science</u>      |           |                                |
| EVRN                              | 131 2.000 | Introduction to GIS and GPS    |
| <u>English</u>                    |           |                                |
| ENGL                              | 91 3.000  | Prep College Reading Writing   |
| ENGL                              | 110 3.000 | First-Year Composition I       |
| ENGL                              | 111 3.000 | First-Year Composition II      |
| ENGL                              | 221 3.000 | Creative Writing               |
| ENGL                              | 222 3.000 | English Grammar                |
| <u>Exercise Science</u>           |           |                                |
| EXER                              | 295 1.000 | Practicum                      |
| EXER                              | 295 2.000 | Practicum                      |
| EXER                              | 390 1.000 | Rec Leader Apprenticeship      |
| EXER                              | 492 6.000 | Internship                     |
| EXER                              | 496 1.000 | Selected Research Topics       |
| EXER                              | 496 2.000 | Selected Research Topics       |
| EXER                              | 496 3.000 | Selected Research Topics       |
| <u>Fire Science</u>               |           |                                |
| FIRE                              | 101 3.000 | Introduction to Fire Science   |
| FIRE                              | 401 3.000 | Senior Seminar                 |
| FIRE                              | 403 3.000 | Fire Science Internship        |
| FIRE                              | 403 6.000 | Fire Science Internship        |
| <u>French</u>                     |           |                                |
| FREN                              | 360 4.000 | French Cultural Perspectives   |
| FREN                              | 370 4.000 | The Francophone World I        |
| <u>General Engineering</u>        |           |                                |
| EGNR                              | 250 2.000 | Cooperative Education          |
| EGNR                              | 450 2.000 | Cooperative Educ Project I     |
| EGNR                              | 451 2.000 | Cooperative Educ Project II    |
| <u>Geography</u>                  |           |                                |
| GEOG                              | 201 4.000 | World Regional Geography       |
| GEOG                              | 306 3.000 | Cultural Geography             |
| GEOG                              | 360 4.000 | Historical Geog E/N America    |

|                        |           |                                |
|------------------------|-----------|--------------------------------|
| <u>Geology</u>         |           |                                |
| GEOG                   | 280 3.000 | Intro to Field Geology         |
| GEOG                   | 490 1.000 | Research Topics in Geology     |
| <u>Health</u>          |           |                                |
| HLTH                   | 208 3.000 | Nutrition                      |
| HLTH                   | 209 3.000 | Pharmacology                   |
| <u>History</u>         |           |                                |
| HIST                   | 101 4.000 | History World Civilization I   |
| HIST                   | 420 8.000 | Field Methods/Archaeology      |
| <u>Human Services</u>  |           |                                |
| HMSV                   | 250 3.000 | Human Services Practicum       |
| <u>Humanities</u>      |           |                                |
