

STUDY ABROAD LSSU SCHOLARSHIP REQUEST

LSSU Scholarship(s) for Study Abroad Semester

NAME: _____ ID _____ DATE: _____

STUDY ABROAD PROGRAM: _____ SEMESTER: _____

SCHOLARSHIP: _____ SEMESTER VALUE: _____

SCHOLARSHIP: _____ SEMESTER VALUE: _____

CURRENT CUM. GPA: _____

TOTAL CREDITS EARNED: _____

I have read and understood the conditions below and wish to use my LSSU Scholarship for my fall or spring semester of study while attending an LSSU approved study abroad program. I understand that my scholarship will not be extended beyond my initial award due to this request, and that I must continue to meet all of the renewal conditions as described in my original scholarship offer.

Signature ID Date

Upon recommendation from the LSSU Shared Governance Board, students on an approved study abroad program may be allowed to take their LSSU scholarship abroad for one semester, if they meet certain conditions:

- 1. Student must be on an approved study abroad program attending 12 or more credits for either fall or spring semester abroad with one of the LSSU consortium partners. LSSU approved partners include CIEE, CCIS, ISA, UWRF Scotland and the Japan Center for Michigan Universities.
2. Student must be in good standing and eligible for the scholarship before participating in the semester abroad and must return to LSSU for the next semester of study after the program. The GPA earned and the number of credits earned during the study abroad program will be used to determine future eligibility for the scholarship.
3. Student using LSSU scholarship for study abroad is not eligible for any scholarship extension due to time needed to complete their program. For example, a student offered a scholarship for up to four years may use one semester of their maximum eight semesters of award while on an approved study abroad program. If the student attends LSSU for additional semesters (beyond the 8 semester award period), the student will not have their award extended for additional semesters.
4. Student with a full tuition scholarship will receive the funds needed to pay tuition only at the foreign school, not to exceed the cost of tuition at LSSU. Student will not be funded at the LSSU tuition rate if the tuition and fees at the foreign host school is less than LSSU tuition for the same period.
5. This policy applies to the General Fund and LSSU Foundation Fund Scholarships for tuition only, unless there are specific conditions that must be adhered to within the scholarship criteria that cannot be met through the study abroad experience. This policy does not allow Auxiliary Fund Room and Board Scholarships, employee discounts, Indian Tuition Waivers, athletic grant-in-aid awards, or other grant/gift funds to be used for study abroad experience.
