Floor Hockey 7vs7

Schedules
League schedules will be posted on the bulletin boards at the Student Activity Center and on imleagues.com

General Procedures
1. All participants must register on imleagues.com and be accepted by the captain 24 hours prior to the game they wish to play. Upon the start of a competition, the IM Sports staff will check all rosters to ensure eligibility. Players who do not appear on a team’s roster will be classified as ineligible and will be required to register before being allowed to play.
2. No roster additions will be allowed after the completion of regular season play.
3. Default vs Forfeit - Any team knowing in advance that they will be unable to play a regularly scheduled game has the opportunity to default. If a team defaults, they will receive a loss in the standings, an “Exceptional Sports” sportsmanship rating, and does not count as a forfeit. In order for a team to default, the team captain must contact the Intramural Coordinator in writing by 5:00 p.m. on the day prior to their contest. Otherwise, it is considered a forfeit. If a team forfeits, they will receive a loss in the standings and a “Needs Improvement” sportsmanship rating.
4. Teams must arrive 15 minutes before their scheduled start time to ensure that the event runs on schedule. A 10 minute grace period will be allowed before a forfeit is awarded.
5. All players must have their valid LSSU ID card at the appropriate playing area in order to play.
6. Teams must present their LSSU ID’s to the Student Activity Center to enter the facility and must present their LSSU ID to the site supervisor to check-in prior to play that night. Community members and alumni must present a photo ID to the site supervisor to check-in prior to play that night.
7. Any player that is bleeding must leave the game immediately. The bleeding must be stopped and the wound securely covered with a bandage before the player can continue. If there is blood on any clothing or jersey, it must be changed before the player resumes play.
8. The Sport Supervisor and Intramural Assistant is responsible for recording scores, running clock, and keeping order. The Sport Supervisor has the authority to eject any player for unsportsmanlike behavior (profanity, fighting, and participating in a contest under the influence of alcohol or other drugs, etc.). See Intramural Participant Handbook for more details.

Reporting Scores
1. Final scores and team sportsmanship ratings must be reported to the Sport Supervisor.
2. If you have another game, always check with the Sport Supervisor about return time before you leave the facility. It is our intention to keep games moving.

2. Play shall be non-stop except for official time-outs.
3. Each team shall receive one 1 minute time out.
4. Substitutions may enter the game at any time as long as officials feel that their position does not result in an unfair advantage; i.e. entering a fast break or entering to stop a fast break.

Scoring
1. One point will be awarded for each goal scored.

Playing
1. A face off is used to begin each half, after each goal, and if a supervisor inadvertently blows a whistle and no team has clear possession of the puck. These face-offs will be at center circle.
2. Face-offs are started by having the supervisor drop the ball on the floor. No movement is allowed until the puck is dropped.
3. The players not involved in the face-off must be at least 10 feet away from the face-off.
4. The puck may be advanced by use of the stick or by kicking it.
5. The hands may be used to knock down an airborne ball with no advancement or directional placement.
6. Shots may be taken only by shooting or deflecting with the stick when the stick blade is being held below the waist. Shots bouncing off a player and into the goal shall be legal as long as the ball contact with the person is accidental as determined by the official.
7. Shots may be taken from anywhere on the floor. However, if the shot is taken from behind the center line, it must be touched by a player (on either team) on the offensive side of the floor to be scored.
8. A goal is scored when the entire ball has crossed the goal line.
9. Goals will not be counted if:
   1. The stick blade is held above waist level.
   2. The ball is kicked in.
   3. The ball is batted in with the hand.
   4. An offensive player is in the crease.
   5. The shot is taken from the other side of the half court line and is untouched by any player.
10. When the goalie catches the ball, they may hold it for approximately 3 seconds and have it remain in play. To keep the ball in play, the goalie may throw the ball to either side of the goal, but not towards the opposing goal. The goalie may also drop the ball on the floor and hit it in any direction with their stick.
11. If the goalie holds the ball for more than 3 seconds or throws the ball directly forward a minor foul will be called and the opposing team will get the puck in the nearest offensive corner.
12. The goalie can only freeze the ball if they is in the crease. If the goalie leaves the crease he becomes a regular player. If players freeze the puck, possession is received by the other team.
13. If the puck leaves the playing area or is tied up along the wall, the team nearest to the puck receives control.
14. There will be no offside or icing.
15. An automatic goal will be awarded if a defending player throws a stick to prevent the ball from entering an open net.
16. A penalty shot will be awarded to a player who had a clear scoring opportunity and was tripped, held, etc. by the opponent.
17. The aluminum part of the stick shall be deemed part of the person and "violations of the stick" will be penalized as though directed to the person.
18. There will be no body checking. Any heavy contact, accidental or intentional, will not be tolerated.
