No team will be allowed to compete in any sport without one of these individuals present. Specific responsibilities of the captain include

Insurance
It is recommended that all students provide themselves with some form of accidental insurance.

Awards
In each league, t-shirts will be awarded to the championship team. In order for a player to be eligible for a championship t-shirt, they must have been on the roster of the championship team and participated in at least one game.

Injuries/Illness
Participants who are injured or become ill while participating in any activity sponsored by the University Recreation must report such injury/illness to the Intramural Supervisor in charge of that activity before leaving the activity area so that a First Report of Injury/Accident/Illness may be completed.

Any Intramural Staff member has the authority to remove a player from play if an injury is suspected.

If necessary, referral to the campus or community medical personnel may be made at that time.

Head Injury and Concussion Awareness
University Recreation requires that its participants have an awareness and knowledge of the risks associated with head injuries and concussions. It is the role of the whole UREC Program; including all of its professional staff, student staff, and participants to serve an active role in concussion prevention, recognition and treatment.

There are trained University Recreation staff present at many events that head injury/concussions can be reported to and can provide recommendations. Although none of these parties have the authority to diagnose a concussion, all have the authority to withhold participants suspected of a concussion or other injury from participation, refer to advanced medical care, or call for emergency care.

Please visit the following site for more information regarding signs and symptoms: https://www.lssu.edu/university-recreation/headsup/

Eligibility Regulations
1. The intramural rules have been designed to encourage participation by the majority of students while at the same time discouraging individuals and teams from gaining an unfair advantage. At all times that spirit of intramurals—maximum participation and enjoyment; not winning at any cost—must be kept in mind when interpreting the intramural rules
2. Current LSSU students (as defined in the Student Handbook), LSSU faculty and staff are eligible to participate in intramural competition at no cost.
3. Community and Alumni over the age of 18 are eligible to participate in intramural activities but must pay a registration fee.
4. No player may participate on more than one team in the same sport. The team on which an individual first plays will be considered their team for that sport.
5. Varsity athletes in season, in organized practice, or in training may not participate in the parallel intramural sport.
6. Varsity letter winners at LSSU or any other four year college or university are ineligible to participate in the sport or associated sport in which that earned their letter for a period of two years following their last collegiate season.
7. Professional athletes are permanently ineligible in the sport or associated sport which they are considered “professional.”
8. It is the responsibility of the intramural team captains to check the eligibility of their players and to protest the eligibility of players on other teams they believe may be in violation of intramural eligibility rules.
9. In the event of possibilities not covered in the above rules or any eligibility questions, the Intramural Coordinator will determine eligibility on the principle of whether or not the athlete gains a significant advantage because of their coaching and/or training.

**Gender Identity Policy**

All events are classified as Open, Coed, Women’s, or Men’s. Individuals shall be permitted to participate in Intramural Sports events (leagues, tournaments and one-time special events) in accordance with that person’s asserted gender identity.

**Participation Rules**

1. No persons can play for two different teams during any one intramural sport.
   a. This includes: no player my appear on a recreational and competitive league roster within the same sport.
2. Players performing for a team must be on the official team roster. A participant’s name should not appear in more than one game roster.

**Governing Rules**

1. All games will start at the appointed hour or a forfeit will occur. **There will be a ten minute grace period.**
2. Teams with three forfeits in a season may be dropped from the league.
3. Any player receiving unsportsmanlike conduct will not be allowed to play in their team’s next game and must talk to the Intramural Coordinator before being able to participate in any further competition. This player must leave the playing area or his team will be given a forfeit.
4. The use or possession of alcohol and/or illicit drugs will not be tolerated in conjunction with any intramural event. Any individual or team found in violation of this policy will be immediately suspended from play and will be eliminated from the competition for the remainder of the semester. Their remaining games will be forfeited.
5. All protests, with the exception of player eligibility, must be settled on the court/field during the contest by the intramural officials or supervisor.
6. Any team which uses an ineligible player shall forfeit all games in which that player participated.
7. **Any official at any time has the authority to suspend a player from the intramural event. If a participant is suspended twice, they remain ineligible for the remainder of the semester.**
8. **Any participant addressing an official in an unsportsmanlike or discourteous manner will be suspended immediately.**
9. Shoving or striking an official shall result in suspension from all intramural activities for an indefinite period. Other action may also be taken when appropriate.
Forfeits/Defaults

Default Policy
Any team knowing in advance that they will be unable to play a regularly scheduled contest is provided the opportunity to default (not play this contest). In order for the contest to be considered a default, the team captain must contact the Intramural Coordinator by 5:00 p.m. on the business day prior to their contest by writing. Weekend/Monday requests must be made by 12:00 noon on the preceding Friday in writing.

Default vs. Forfeit
A team that legally defaults will receive a loss in the league standings, not a forfeit.

Forfeits
Games will be started on time! Teams are expected to be ready to play at game time. Any team failing to report to participate at the scheduled starting time shall forfeit to their opponent. If both teams fail to report to participate, each team shall be credited with a forfeit and the game shall not be rescheduled. This applies to special events as well.

Winning by Forfeit: In order for a team to receive a win by forfeit, it must have the minimum number of players required to begin according to the rules of the sport present at the scheduled location and at the scheduled time “ready to play.”

Limit of Forfeits: Any team that forfeits the equivalent to two nights of league play may be removed from the league for the remainder of the season by the Intramural Coordinator. Teams that forfeit will not be eligible to participate in the championship tournament.

Protests
All protests must be registered immediately with the site supervisor. A protest is not complete until a written version of the protest is submitted to the Intramural Coordinator by 12:00pm (Noon) of the day after the game in question. If it is not received by noon on the following day it will be rejected. For weekend games, the deadline is 12:00pm (Noon) on Monday following the game.

Protests will be handled as follows:
1. All protests will first be dealt with by the Supervisor on site.
2. If you disagree with the on-site decision, you may appeal with the Intramural Coordinator. Protests must be submitted in writing to the Intramural Coordinator or intramurals@lssu.edu.
3. Games altered by valid protests will be replayed, if possible, from the point of the game where the protest occurred.

Disqualified/Ejected Players
A player disqualified from the game for conduct must leave the area/complex after speaking with an Intramural Sport Supervisor IMMEDIATELY, and will be declared ineligible for play in ANY Intramural
Sports activity until they have submitted a letter requesting reinstatement and have to meet with the Intramural Coordinator. The player shall be suspended for no less than one week. The suspension will not begin until after the suspended person has met with either the Intramural Coordinator. Failure to leave the area/complex may result in disqualification of the captain, or forfeiture of the game. Any second occurrence of unsportsmanlike conduct by a team may result in that team eliminated for the remainder of the season.

A team which participates with an ejected player in a regular season game shall forfeit that game.

**Regaining Eligibility**
To regain eligibility, the ejected player must prepare a typed statement detailing the events that took place; submit a copy of the statement and set-up an appointment with one of the Intramural Coordinator to discuss the matter. Even if it is the last contest for their team, the ejected person’s suspension will continue until the person meets with the Intramural Coordinator.

**Code of Conduct**

The code of conduct exercised by the LSSU Intramural Program is the Student Code of Conduct. If the LSSU Code of Conduct is violated, the incident will be reported to the Student Affairs staff. The Student Development staff of the pertinent campus will follow the disciplinary actions set forth by the respective campus’s discipline process. Please refer to the LSSU Student Code of Conduct for more information.

**Team Names and Uniforms**

tobacco, or other drugs). Please use proper judgment when selecting names and uniform artwork, our goal is a pleasant, fun atmosphere for everyone competing. If you are unsure if a team name will be accepted, contact the Intramural Coordinator.

**Schedule Change or Cancellation Notification**

Intramural Sports makes every effort to play all activities as regularly scheduled. In the event that your team’s schedule changes due to a default/forfeit, weather cancellation, or other extenuating circumstance, team members will receive notification via imleagues.com through an email message, and if set up, a text message. There will also be a league announcement located on the league page on imleagues.com.

**Weather Cancellation**

Rainouts will not be determined until 3:00 p.m. each day. Team captains will receive notification via imleagues.com through an email message, and if set up, a text message. There will also be a league announcement located on the league page on imleagues.com. Intramural Sports will not call participants to inform them games are cancelled due to weather.

The Intramural staff encourages everyone to sign up for text alerts through imleagues.com. Only important messages regarding schedule changes due to weather conditions and defaults/forfeits will be sent. The program will not spam you with solicitation text messages.

**Tournament**

**Eligibility**

Due to the size of some leagues, not all teams may be eligible to participate in the season ending championship tournament. The number of teams eligible for championship night will be determined after league play has been scheduled. In order to be eligible to participate in the season ending championship tournament night, teams must have a sportsmanship average of a 3 at the completion of week 5. Teams will be notified via email of their tournament eligibility.

**Seeding**

Tournament seeding will be determined based on the following scale.

1. Teams will be ranked in order based on their wins and losses.
2. If there is a tie between teams, the team with the higher sportsmanship average will get the higher seed.
3. If a tie remains, the team with the most points for and least points against them will get the higher seed.
4. If a tie still remains, the team that won in a head to head competition will receive the higher seed.
5. If a tie still remains, a coin toss will determine the higher seed.

**Sportsmanship**
Integral to the philosophy of LSSU Intramurals is that good sportsmanship and fair play are vital aspects of intramural competition. It is necessary for the successful operation of the program that individuals display proper conduct in all instances. The sportsmanship rating system is intended to be an objective scale by which teams’ attitudes and behaviors can be assessed.

Behavior before, during, and after a contest is included in each rating. Each team captain is responsible for educating ALL players and fans affiliated with his/her team about the sportsmanship policy; however, it is the responsibility of all team members to control the conduct of its own team members and fans.

At the end of each contest, the site supervisor will ask each team the following question –

<table>
<thead>
<tr>
<th>Based on today’s/tonight’s game, would you describe your opponent as –</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>Exceptional Sports (5):</strong> The team went above and beyond expectations and consistently demonstrated all of the good sportsmanship behaviors.</td>
</tr>
<tr>
<td><strong>Great sports (4):</strong> The team demonstrated the good sportsmanship behaviors with a couple minor incidents of unsportsmanlike behavior.</td>
</tr>
<tr>
<td><strong>Good Sports (3):</strong> The team demonstrated the good sportsmanship behaviors with a few minor incidents of unsportsmanlike behavior.</td>
</tr>
<tr>
<td><strong>Needs Improvement (2):</strong> The team demonstrated some good sportsmanship behaviors with a lot of minor incidents of unsportsmanlike behavior.</td>
</tr>
<tr>
<td><strong>Poor Sports (1):</strong> The team demonstrated few sportsmanship behaviors with a lot of minor incidents of unsportsmanlike behavior or a major incident of unsportsmanlike behavior.</td>
</tr>
</tbody>
</table>

The rating will be recorded by the site supervisor on the score sheet. In addition, the site supervisor will give a sportsmanship rating to each team. The scores will be averaged. The Rec Sports staff reserves the right to review and/or change any sportsmanship rating given.

All teams are required to have a sportsmanship average above ‘Good Sports’ (3.0) in order to remain in the league. If a team falls below a ‘Good Sports’ (3.0), the captain will be required to meet with either the Intramural Coordinator and the team will be placed on probation. During probation, the team will have 1 week to get their sportsmanship average above a ‘Good Sports’ (3.0) or they will be removed from the league. If a team falls below an average of a ‘Good Sports’ (3.0) two times during the season they will be removed from the league. Any team that receives more than 1 ‘Poor Sport (1)’ rating by a site supervisor will be removed from the league.

A team’s sportsmanship average will also be used to determine eligibility to play in the season ending championship tournament and to break a tie in team rankings. The team with the higher sportsmanship average will get the higher seed.

If a game is not played due to a default, both teams will receive an ‘Exceptional Sports (5)’ rating for sportsmanship. If a team forfeits a game, they will receive a ‘Needs Improvement (2)’ rating for sportsmanship and if their opponent qualifies for a win by forfeit, they receive an ‘Exceptional Sports (5)’
Sportsmanships rating.
