Why Study Law Enforcement at LSSU

The Bachelors of Science Degree, Criminal Justice Law Enforcement is designed to provide a comprehensive background in the areas of the criminal justice field. Our program has been in place for over thirty years and we have an outstanding reputation for producing well educated and well trained criminal justice practitioners. You will be taught by former and active police officers, corrections officers and lawyers.

The program combines academic and hands-on training. Courses in criminal investigation, firearms training and agency internships will help you acquire the necessary skills to excel in your future careers. This degree provides students with the knowledge and skills needed to be employed as a law enforcement officer. This emphasis includes the necessary courses to allow students to attend the LSSU Skills Completion Academy which in combination allows students to be licensed by the Michigan Commission on Law Enforcement Standards (MCOLES). Students who graduate from this program and successfully complete the State licensing exam are qualified for direct placement in Michigan police agencies. Many out of state agencies also recognize the MCOLES academy training.
