

Bachelor of Science Accounting

This program is designed to provide financial information essential to the efficient conduct and evaluation of any organization. Accounting includes the development and analysis of data and the interpretation and communication of the results. Students completing this degree will be eligible to sit for various professional certification examinations. The program complies with current educational requirements for the CPA certification.

All students who wish to sit for the CPA Exam must complete the Bachelor of Science in Accounting (124 credits) and take an additional 26 credits of course work. Students will work with their adviser to select transferable courses to reach 150 credits with LSSU.

Program Accreditation

The Accounting program is accredited by the Accreditation Council for Business Schools and Programs (ACBSP).
