

BSN Program

Post-Licensure Completion

Bachelor of Science in Nursing Post-Licensure Completion

This program is designed for registered nurses wishing to earn a bachelor's degree. This program provides students with the opportunity to acquire the knowledge, values and skills necessary for the practice of professional nursing.

Professional nursing blends a unique body of knowledge from the sciences, social sciences and humanities with a compassionate heart and a sensitive spirit to provide holistic care to those in need.

The Bachelor of Science in Nursing may be completed in as little as two academic semesters, provided all prereqs and general education courses are already satisfied.

Program Accreditation

The BSN program is accredited by the Commission on Collegiate Nursing Education, One Dupont Circle, NW, Suite 530, Washington DC 20036, 202-887-6791.
