I am pleased to inform you that your Exemption Application is approved. Your institution is authorized to operate in North Dakota through 2/7/2017 under North Dakota Century Code 15-18.1. Yearly applications are required.

State Authorization is separate from program licensing board approval and/or endorsement. [North Dakota Century Code 15-18.1-17](#) outlines specific requirements.

Compliance with Professional Boards

North Dakota Century Code 15-18.1-17. "A postsecondary educational institution shall give written notification to potential students applying for enrollment in a course or program that customarily leads to professional registration or certification of the status of the course or program compliance with the registration or certification requirements of the appropriate professional board in the state. A postsecondary educational institution shall give written notification to all students enrolled in a program or course that customarily leads to professional registration or certification of any change in the status of the course or program compliance with the registration or certification requirements of the appropriate professional board in the state."

Authorization to operate is not an endorsement of an institution. Credits earned at the institution may not transfer to all other institutions.
