

Veteran Transfer Students

If you will be starting classes at Lake Superior State University for the first time in a future semester and **have** used GI Bill® Educational benefits before at any institution of higher learning please see below:

Complete the Request for Change of Program or Place of Training

- ✓ **Certificate of Eligibility (COE)** Please submit your COE letter from the VA stating eligibility and length of entitlement (Chapters 33 and 35).

Apply to LSSU

Please complete LSSU's online application.

*It is recommended complete the Request for Change of Program or Place of Training at the same time.

- ✓ **Apply for Financial Aid**
In addition to GI Bill® Educational benefits, you may be eligible for federal financial aid. Please contact LSSU's Financial Aid Office at 906-635-2678, finaid@lssu.edu, or visit their website.
- ✓ **Submit Transcripts**
Please provide LSSU with your Military transcripts for evaluation. Lake Superior State University generally follows the guidelines of the American Council of Education in evaluating military credit. Credits from military schools and courses from the Community College of the Air Force are evaluated and generally given credit for direct course equivalencies and general elective credits - meaning that the credits can be used as general electives, but also may meet major or minor requirements upon the recommendation of the appropriate department.
- ✓ **Sign up for Orientation**
Once accepted to LSSU, sign up for an Orientation Program to register for classes and learn about how to be successful at LSSU.
- ✓ **Submit the VA Course Certification Request Form**
Once registered for classes, this form has to be submitted **each semester** to LSSU's VA Certifying Official.
