

## WITHDRAWAL POLICY

### Spring Semester 2018

You must complete the following steps to officially withdraw from the University:

1. Pick up a Withdrawal Form from the Registrar's Office, located in the Fletcher Center for Student Services.
2. Gather the required signatures (shown on the form). Note: if you have received federal loans as financial aid, you will be required to complete an exit interview. You may also be required to speak with a financial aid officer. You will need to provide the complete addresses and phone numbers of two people (living at different addresses) as references for the exit interview process.
3. Deliver the completed form to the Registrar's Office and clear any outstanding charges or holds that may prevent your return at a later date or prevent the release of your academic records. **Your withdrawal date will be determined by the date the completed form is submitted to the Registrar's Office.** Any refunds will be calculated as of that date.

All withdrawals should be done in person. If you are unable to complete the process in person, the Registrar's Office is the only University office that can authorize the process by phone (906-635-2682). If you are a federal aid recipient, you will need to complete your exit process with the Financial Aid Office.
