Why Study Criminal Justice at LSSU

The Bachelors of Science Degree, Criminal Justice Generalist is designed to provide a comprehensive background in the areas of the criminal justice field. Our program has been in place for over thirty years and we have an outstanding reputation for producing well educated and well trained criminal justice practitioners. You will be taught by former and active police officers, corrections officers and lawyers.

The generalist degree attracts interest from students who wish to pursue graduate school, particularly in the growing field of criminal justice which has seen exponential growth at the Masters level across Michigan and the United States, and emerging emphasis at the doctoral level.
