

## North Central Michigan College Advising Guide

**About the program:** The Bachelor of Science in Criminal Justice-Generalist Concentration provides a broad understanding of the major components of the criminal justice system. This emphasis is designed to allow the student flexibility in the variety of criminal justice courses selected. Students in this emphasis can customize their educational experience by their course choices. This emphasis prepares students for a variety of occupations within the criminal justice system. Students may also pursue a graduate degree or other professional study.
