Important information:

Summer housing is offered to students who attend LSSU summer classes and/or are working on or off campus for the summer. Summer housing will be available May 4. Summer housing is available until noon on Saturday, August 3. Buildings undergo yearly maintenance during the "down time", which leaves little room for exceptions to these dates. There will be a \$50 charge per day, for residents, who fail to vacate the premises by their designated summer end date or by noon on Saturday, August 3.

The following rates are for LSSU current students. Please contact our office for non-student rates. Rent is charged on a weekly basis (Sunday through Saturday) and is not prorated on a daily basis. For those staying a minimum of 12-weeks, rent is \$70 per week. A minimum of a 6-week stay, rent is \$91 per week. Any rent stays less than 6 weeks will be charged \$112 per week. Any refunds will be applied based on the actual time stayed. Additionally, a onetime \$38 environmental fee will be charged to renters for use of the laundry facilities. The total rent charge and environmental fee will be billed to the student's account on Monday, April 22. Total rent payment for summer is required by Friday, May 3. If not paid in full by the due date, student will be required to sign up for a payment plan online. Private rooms are available on a limited basis and come with an additional cost.

A damage deposit of \$150 is required prior to moving in. This will carry over from the previous academic school year if applicable. **Weekend student check in hours will be Saturday, May 4 from 10:00 a.m. until 4:00 p.m. and Sunday, May 5 from 12:00 noon until 4:00 p.m. in the Campus Life and Housing Office.** If you need to cancel your summer housing application, please do so in person as soon as possible at the Campus Life and Housing Office.

While living on campus summer students are expected to behave according to the same policies and rules that apply during the academic year (*please refer to the Navigator-on campus resident handbook*). Eviction may occur if rent is not paid or university, state or federal policies are violated. The Campus Life and Housing Office reserve the right to consolidate units and move residents.

To request special accommodations, in addition to filling out the housing application, it is required that you register with the LSSU Office of Accessibility Services. The coordinator of Accessibility Services will verify your disability and advise housing staff of appropriate accommodation. Housing staff will facilitate the housing accommodations based on application date and availability. Questions about accessible student housing may be directed to Sharmay Wood, Director of Campus Life and Laker Success.
