

**Lake Superior State University**  
**Indirect Costs for External Funding Policy – Center for Freshwater Research and Education**  
**Issued May 16, 2019**

Indirect costs acquired through research grants, contracts, awards, sub-awards and any otherwise named externally funded awards to the Center for Freshwater Research and Education research will be distributed as follows:

15% - Principal Investigator's or Project Director's grant professional development fund.

85% - Center for Freshwater Research and Education grant professional development fund (currently 1300-10300-nnnn-20) to be used for operations support and new initiatives.

The intent of this modification is to support initial growth and investment in the Center for Freshwater Research and Education. This modification in the distribution of indirect costs is in effect from July 1, 2018 to June 30, 2022. At the end of this period, the policy will be reevaluated by the Senior Management.
