

Application Essay Questions:

Please address the following questions:

Student Success

1a) Describe how you would address student challenges (whether academic, economic, connection challenges) for students within the residence halls. What adjustments in communication would need to occur?

1b) How would you work with a student (such as a first-generation college student) who themselves and/or their families may have little knowledge of life at a university?

Student Advocacy

2a) How would you support residents to build a community within their residence hall as well as with the campus community?

2b) Describe one problem that you see at LSSU and a possible solution?
