

Laker Summer Scholars - Summer Registration 2020 – Students Rising 8th - 12th Grade

Who should attend the Laker Summer Scholars Program?

Laker Summer Scholars gives talented and motivated university bound 8th – 12th grade students in the 2020 school year the opportunity to get a “jump start” by earning university credit before attending on a full-time basis.

What is the Laker Summer Scholars Program?

With parent permission, qualified students moving to 8th through 12th grade in the 2020 school year are able to enroll in LSSU courses during the Summer Semester 2020. Lake Superior State University is fully accredited by the Higher Learning Commission. Credit earned under this program will be applicable toward a degree at Lake Superior State University and may be transferable to other accredited colleges and universities consistent with that institution’s transfer and equivalency policies.

Program Requirements:

Requirements for admission to Laker Summer Scholars are designed to ensure the success of students in the program. For immediate acceptance, students must meet the following:

- A. Verification of appropriate scores on SAT, PSAT, NWEA MAP
- B. Have the permission of a parent or legal guardian.
- C. For courses that have specific placement tests or that require specific placement scores (e.g. English or mathematics), students must also meet the same requirements as those required of on-campus students.

Students who do not meet these criteria, but who are judged by their school counselor, principal, assistant principal or superintendent to be exceptionally academically motivated, and to have a strong potential for success in university level work, may be considered for admission into the Summer Scholars Program on an individual basis. The final acceptance decision will be made by the University.

Information for Students:

1. Course Rigor - The course syllabus and content are approved by the academic department at Lake Superior State University and will be taught at the university level.
2. Study Time - As a general rule, you should expect to study two hours per week for each hour spent in the classroom. For example, a three credit course taken in the summer over six weeks would meet, in person or virtually, for approximately six hours a week. Thus, you would plan on at least twelve hours per week for study and homework in addition to your class time.
3. Grades - You will be graded based on Lake Superior State University standards.
4. Academic Record - The credit and grades you earn will become a part of your permanent academic record (transcript) at Lake Superior State University.
5. Policies/Procedures - You will be expected to follow Lake Superior State University policies and procedures. To view the Lake Superior State University Undergraduate Catalog visit <http://www.lssu.edu/catalog/>.
6. Attendance – Your attendance and participation is expected.
7. Fees - Fees are based on established rates and programs.

Authorization to Release FERPA Protected Academic Information:

I authorize LSSU to release all academic information (including but not limited to) grades, GPA, attendance, enrollment and registration information, course selection, academic standing, advising, etc. to the designated individual(s) below.
