STUDENT COVID-19 Exposure and Symptom Algorithm

Direct Exposure (direct contact with a person who is COVID-19 positive)
- Stay at home until released from quarantine by the Chippewa County Health Dept.
- Get tested 5 days after last known direct contact; social distancing; face covering

Secondary Exposure (contact with someone who was exposed to a person who is COVID-19 positive)
- If no symptoms, may return to classes
- Self-monitor for symptoms
- Social distancing and face-covering

If symptoms develop at home
- Stay home: self-isolate
- Notify your residence hall advisor

If symptoms develop away from home
- Go home and self-isolate
- Notify your residence hall advisor

Call your Primary Care Provider or call the LSSU HealthCare Center at 906-635-2110

DO NOT come directly to the HealthCare Center

After Hours: call WMH 906-635-4460

See Return to Class Algorithm
