

STUDENT COVID-19 Exposure and Symptom Algorithm

Direct Exposure (direct contact with a person who is COVID-19 positive)

- Stay at home until released from quarantine by the Chippewa County Health Dept.
- Get tested 5 days after last known direct contact; social distancing; face covering

Secondary Exposure (contact with someone who was exposed to a person who is COVID-19 positive) or roommate of a Secondary Exposure

- If no symptoms, may return to classes
- Self-monitor for symptoms
- Social distancing and face-covering
- Student Affairs will determine quarantine guidelines for roommates & other cohabitants (Notify Dean of Student Affairs (deanofstudentaffairs@lssu.edu))

If symptoms develop at home

- Stay home: self-isolate
- On-Campus student: Notify your Residence Hall Coordinator
- Off-Campus student: Notify the Dean of Student Affairs (deanofstudentaffairs@lssu.edu)

If symptoms develop away from home

- Go home and self-isolate
- On-Campus student: Notify your Residence Hall Coordinator
- Off-Campus student: Notify the Dean of Student Affairs (deanofstudentaffairs@lssu.edu)
