2020-2021 Student Government  
Lake Superior State University

**Cc:** Dr. Rodney Hanley, Senior Management Team of Lake Superior State University,  
Members of the 2020-2021 Lake Superior State University Student Government

**Date:** Thursday, October 8, 2020

**Re:** Defining the Student Government Objectives for the 2020-2021 Academic Year

---

Through discussion during the annual Student Government training and initiatives session on Sunday, October 4, 2020, the Student Government has proposed several initiatives for the upcoming academic year. These initiatives span a wide range of matters of student concerns; but, ultimately center around six overarching objectives.

These objectives will provide direction for future initiatives, establish measurable goals that can be used to evaluate the work of the Student Government, and allow for stronger communication of the roles and functions of the Student Government to the Student Body.

The 2020-2021 Student Government Objectives shall be as follows:

- Objective 2021-1:** To ensure the physical, mental, and emotional wellbeing of all students.
- Objective 2021-2:** To increase the value of the student experience.
- Objective 2021-3:** To cultivate an environment of diversity and inclusion.
- Objective 2021-4:** To protect the autonomy of the student and preserve individual students' rights, liberties, and authorities over their college experience.
- Objective 2021-5:** To promote greater collaboration between the Student Government, University Administration, and the Sault Sainte Marie community, as well as other higher education student governance associations in Michigan, elsewhere in the United States, and abroad.
- Objective 2021-6:** To improve the overall functioning of the Student Government.

Respectfully submitted on Thursday, October 8, 2020.  
Keegan Hoose, President of Student Government
