

Application Essay Questions:

Please address the following questions within 500 words for each question:

1. Describe an issue that students face and how you would work with your residents in supporting them in their challenges?
2. How would you work with a student (such as a first-generation college student) who themselves and/or their families may have little knowledge of life at a university?
3. How would you support residents to build a community and what areas on campus would you encourage them to get involved?
