Grant Application

Proposal Narrative

This proposal narrative should briefly explain why your organization is requesting this grant, what outcomes you hope to achieve and on what you will spend grant funds.

I. Statement of needs/problems

(What needs/problems will this project address? Why is this project important?)

II. Description of target population

(How will the target population benefit from your proposed project? What is the estimated size of your target population? How was the target population involved in defining problems to be addressed, making policy and planning the program?)

III. Description of project goals and objective

(Clearly describe identified goals and objectives. Include a statement as to whether this is a new or ongoing project of the applicant.)

GRANT APPLICATION
Graymont Community and Economic Development Fund
Grant Application

IV. Plans to accomplish goals and objectives

V. Timetable for implementation

VI. Project personnel and partners

(Include a summary of project staff and their experience, as well as all current and projected project partners and their roles.)

VII. Sustainability

(Define the long-term strategies for funding this project if it is to continue past the grant period)

GRANT APPLICATION
