

Request for Proposals (RFP)
Graymont Community and Economic Development Fund
Grant Application

Mission Statement

The Graymont Economic and Community Development Fund was created to provide financial support for economic and community development in areas directly and indirectly impacted by the Rexton Project with the intent of improving the quality of life of the area now, and into the future.

Funding Priorities

The purpose of the Graymont Economic and Community Development Fund is to provide funding to organizations for small business support, assistance for schools and educators, human services, road and infrastructure improvements, conservation and enhancement of recreational opportunities, health and wellness in the Eastern Upper Peninsula. Projects serving the townships/residents of Garfield, Hendricks, Hudson, Pentland and Trout Lake will receive special consideration.

Eligibility

Applications can be accepted from municipalities, units of government, social agencies and other organizations, small business and members of the local community,

Required Documents

A completed application package should include:

- Graymont Community and Economic Development Grant Application Cover Sheet
- Proposal Narrative
- Letters of Support
- Grant Budget Form
- Proposal Budget

Application documents can be downloaded from the LSSU web page: <https://www.lssu.edu/business-engagementcenter/graymont-community-economic-development-fund/>, or requested from the Office of Sponsored Programs at enewland@lssu.edu.

2021 Funding Round Timeline

- Opens: February 15, 2021
- Closes: May 15, 2021
- Award Announcement: June 15, 2021

Completed application packages can be emailed to enewland@lssu.edu or mailed to:

Lake Superior State University
Administration Bldg. Rm. 209
650 West Easterday Avenue
Sault Ste. Marie, MI 49783
