

Secondary Education Language & Literature Bachelor of Arts

Bachelor of Arts Secondary Education- Language & Literature

The Secondary Education program is highlighted by in-depth study in a subject major with or without a minor, extended field experience in secondary school settings, and focused development of the knowledge and skills critical for effective teachers. The program leads to a bachelor of arts or a bachelor of science degree in the student's major area.

As an English Language and Literature–Secondary Education major, you can take courses on YA Literature and visual texts such as graphic novels. You can learn how to publish your own future students' work in student journals by working as an editing intern in the department or lead a community writing workshop. You'll also get to practice your teaching skills in our 21st century learning environment. Graduates passing the MTTC English exam are certified to teach English to middle or high school students.

Program Accreditation

The Educator Preparation Programs at Lake Superior State University are accredited by the Inquiry Brief Commission of the Council for the Accreditation of Educator Preparation (CAEP).
