

English Language Arts Teaching (Grades 5-12)

Bachelor of Arts

Bachelor of Arts English Language Arts Teaching (Grades 5-12)

Our Secondary Education programs are built around the concept that an English teacher's first and foremost goal must be to encourage a lifelong love of reading and writing in students. As a teacher of English, you will be nurturing in students the skills of reading and writing, skills that are foundational to a productive and satisfying life. Our program pairs a literature track with a pedagogical one, providing you with a balanced training in content and in theory and practice to become an effective teacher.

As an English Language and Literature–Secondary Education major, you take courses on YA Literature and visual texts such as graphic novels. You'll also get to practice your teaching skills in our 21st century learning environment. Graduates passing the MTTC English exam are certified to teach English to grades 5-12, meet the requirements of No Child Left Behind, and are highly qualified to teach in their subject area.
