

Scholarship Application Requested Information (for incoming Fall 2022 students)

IMPORTANT: For 2022, all incoming scholarship applications will be submitted through the LSSU scholarship portal (due date TBD but not sooner than early April 2022). This form is just for reference about the type of information you will need to submit. For further details, please email the academic assistant, Mrs. Becca Kilponen, at rkilponen@LSSU.edu.

Available scholarships include the Andersen Family Engineering Scholarship, Floyd and Joyce Starks Memorial Scholarship, Charlie Snyder IAB Engineering & Technology Scholarships, LSSU Robotics Scholarships, Esys Scholarship, Huizenga Engineering Scholarships, Marvin & Audrey Dahlman Engineering Scholarship, and Jacobson and Bell Scholarships. Your application will be considered for all school of engineering and technology scholarships in which you qualify. Please note that some, but not all, scholarships require demonstrating financial need via your FAFSA and some, but not all, require an ACT or SAT score. It is best to submit both a FAFSA and your ACT and/or SAT scores to LSSU if you have them. More information on the specific scholarships can be found [here](#).

Please type or print all information neatly (especially the email). Additional sheets may be attached if necessary.

Recommended: Attach up to one page of text – 12 pt., single-spaced, webpage URL, and/or video that discusses the following: why you have chosen to study engineering at LSSU, what is it about engineering that interests you, and what motivates you (what do you enjoy). Also, if you already have one or more letters of recommendation from teachers, coaches, etc., please attach it/them. While not required, these can have a significant impact in the awarding of scholarships.
