EMPLOYEE COVID-19 Algorithm

If you were exposed to COVID-19 and are up-to-date on COVID-19 vaccinations or have tested positive for COVID-19 in the past 90 days

- Monitor for symptoms for 10 days. If symptoms develop, see “Development of Symptoms” below.
- For any questions, contact: humanresources@lssu.edu or (906) 635-2213.
- Recommend testing 5 days after exposure.
- Wear a well-fitted mask in indoor spaces for 10 days after exposure.

If you were exposed to COVID-19 and are NOT up-to-date on COVID-19 vaccinations

- Immediately contact: humanresources@lssu.edu or (906) 635-2213.
- Notify your Supervisor immediately.
- Stay home, self-isolate for 5 days, and follow directives of Human Resources.
- COVID-19 Testing required 5 days after exposure – if test is positive, see ‘Tested positive for COVID-19’ below.
- If symptoms develop, see “Development of Symptoms” below.
- See “Return to Work Guidelines.”
- Wear a well-fitted mask in indoor spaces for 10 days after exposure.

If you develop symptoms, regardless of vaccination status

- Immediately contact: humanresources@lssu.edu or (906) 635-2213.
- Notify your Supervisor immediately.
- Stay home, self-isolate for 5 days, and follow directives of Human Resources.
- Obtain COVID-19 testing at Health Care Center (or other clinic) as soon as possible.
- See “Return to Work Guidelines.”
- Wear a well-fitted mask in indoor spaces for 10 days after symptom onset.

If you tested positive for COVID-19, regardless of vaccination status

- Immediately contact: humanresources@lssu.edu or (906) 635-2213.
- Notify your Supervisor immediately.
- Stay home, self-isolate for 5 days, and follow directives of Human Resources.
- Unless symptomatic, if tested positive in the past 90 days, self-isolation not required.
- See “Return to Work Guidelines.”
- Wear a well-fitted mask in indoor spaces for 10 days after positive test.

1: Exposed: exposure within 6 ft of a COVID-19 positive person for a cumulative total of 15 min or more over 24 hrs.
2: Up-to-date: have completed primary series (1 or 2 dose) and booster if eligible.

LSSU COVID-19 Protocols are based on federal, state, and local guidelines and recommendations.
