How Many Jobs Should You Apply For?

• Apply only for jobs you are truly interested in

• Apply only for 1-3 jobs…wait to hear from the supervisors before applying for others
What Next?

• Wait for the Department to respond to your application – Possible responses:
  – No Match
  – Request Interview
  – Offer

• Check your LSSU email for notification and/or “Review Job Applications” on Student Job Page
Review Job Applications

You must do this (yes) before accepting an offer.
Keep This in Mind

• Do not be discouraged by “No Match”
  – The position may have been filled with another applicant. Please go back to the job board and see the other jobs that are available that you feel would be a good fit for you.

• Do respond promptly to a request for an interview or a job offer.

• Do not accept numerous offers – campus work will only permit a TOTAL of 19 hrs of work per week (except summer).
Next Step

• An “offer” needs your on-line response
• At “Review Job Applications”, either accept or decline the offer from Status Pull Down Menu
• Click “Process Status”
• Your Status will probably become “Accept, Unauthorized” – you need to do some paperwork
View Job Applications

• Notice “Accept, Not Authorized”

Check your LSSU email regularly for notification from job supervisors.

Instruction on how to access your LSSU email was provided to you by the Admissions Office with your letter of admission and ID.

What Paperwork is Needed?

• Three things:
  – I-9
  – Michigan W-4
  – Federal W-4

• An email will be sent to you stating what you need to do next, how to get the paperwork, and when/where to bring it. Watch your LSSU email!
What’s Next……

- Your status must eventually be “accept/authorized” in order to begin working (see next slide)
- The I-9 must be hand delivered by you, to us. Bring your original identification documents that the I-9 requires
- Deliver them to Human Resources located upstairs in the Administration Building
- You MAY NOT start working until all of your employment paperwork has been completed.
Your Status Must Eventually Be:

Accept, Authorized

This means that you have accepted your job offer, all your paperwork has been submitted and you can begin work on your first scheduled day!
If you Change Your Mind.....

• Decline your job offer if you hadn’t already accepted it, so that the supervisor knows you aren’t coming.

• If you already accepted it, send your supervisor an email and let them know you won’t be working for them.
