## **Bachelor of Science Criminal Justice**

This program is designed to provide a broad understanding of the criminal justice system in a program that you can customize to suit your needs. You'll be prepared for a variety of careers, as well as graduate school of professional study.

Concentrations bring additional training and expertise in a range of areas including: Law Enforcement, Public Safety, Homeland Security, Corrections, Criminalistics, and a Generalist Track designed for transfer students. Every concentration can be paired with MCOLES for those seeking law enforcement certification in Michigan.

Please consult with an advisor for any main campus requirements. The generalist concentration is the only concentration available entirely at the regional center.
