Emergency Grants - Title IV

- 8) What percentage of students received emergency grants and how much did students receive in emergency grants by fund type and student type?

Note: Institutions must provide complete answers to each question.

During the reporting period, how many students were NOT Title IV eligible throughout their enrollment during the reporting period?

Enrolled Students Not Eligible

522

Based on the Department's Final Regulations issued on May 14, 2021 (86 FR 26608, available at <https://www.federalregister.gov/d/2021-10190>), students are not required to be eligible for Title IV student financial aid in order to receive HEERF emergency financial aid grants. Title IV eligibility for this question is based on the number of students for whom the institution has received an Institutional Student Information Record (ISIR) plus the number of students who completed any alternative form developed by the institution. In reporting these data, students should be classified as Title IV eligible if they were determined to be Title IV eligible at any point during the reporting period.
