

**Memorandum of Understanding**  
**Lake Superior State University (LSSU) and**  
**the Lake Superior State University Faculty Association (LSSU-FA)**

September 9, 2024

**Sections affected:**

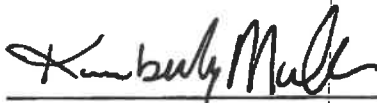

13.1.1

**Statement of Problem:**

The contract states that the Vice Provost for Accreditation and Assessment shall serve as ex-officio members of the General Education and Curriculum Committees. Due to the retirement of the Vice Provost for Accreditation and Assessment, the Assessment Coordinator is taking on some of the assessment duties and it would be helpful for this person to be the ex-officio member of each of these committees.

**Solution:**

The University agrees to change the ex-officio member for the General Education and Curriculum committees from the Vice Provost for Accreditation and Assessment to the Assessment Coordinator. The Assessment Coordinator will NOT have voting rights in either committees.
