

Thanking Your Scholarship Donor

Lake Superior State University

Your scholarship was made possible by generous donors who believe in supporting students like you. Taking a few moments to thank them helps show how much their gift means.

How to Say Thanks:

- **Write a Letter or Card**
Type or neatly handwrite your note on quality paper. Keep it personal but easy to read.
- **Proofread and Sign It**
Make sure it's polished and signed before sending.
- **Video Option**
A thank-you video is welcome—just keep it under 5 minutes.

What to Include:

Help your donor get to know you:

- Your major and why you chose LSSU
- Past schools or experiences that shaped you
- How school is going and your favorite classes
- Hometown, family, hobbies
- Career or education goals
- How the scholarship is making a difference

A Few Tips:

- **Use the Scholarship Name**
You can find it [here](#) or through Scholarship Universe.
- **Don't Say "Thanks for Choosing Me"**
Recipients are selected by the LSSU Financial Aid Office or recommended by a Selection Committee or Faculty — not donors.
- **Need Help?**
Contact Erin Lake at 906-635-6210 or elake1@lssu.edu

How to Send It:

Mail or drop off your letter to: **LSSU Office of Advancement**

650 W. Easterday Ave.

Sault Ste. Marie, MI 49783

Or submit online: bit.ly/lssuthankyou

Thank you for taking the time to show your appreciation!
