

## BACHELOR OF ARTS ENGLISH LANGUAGE ARTS TEACHING (GRADES 5-12)

Our Secondary Education programs are built around the concept that an English teacher's first and foremost goal must be to encourage a lifelong love of reading and writing in students. As a teacher of English, you will be nurturing in students the skills of reading and writing, skills that are foundational to a productive and satisfying life. Our program pairs a literature track with a pedagogical one, providing you with a balanced training in content and in theory and practice to become an effective teacher, guiding students in their learning experience.

The Educator Preparation Programs are accredited by the Inquiry Brief Commission of the Council for the Accreditation of Educator Preparation (CAEP).
