

## BACHELOR OF SCIENCE TEACHER EDUCATION - PK-3 & 3-6 GRADE

The Elementary Teacher Preparation program blends strong content knowledge with effective teaching practices. Students gain hands-on experience from the start, working with children in Pre-Kindergarten through 6<sup>th</sup> grade classrooms.

Graduates combine program outcomes and learning standards and are prepared to teach both PK-3 and 3-6 grade bands, with a focus on developmentally appropriate instruction across literacy, math, science, and social studies. The program emphasizes whole-child learning and offers the option to add a Learning Disabilities endorsement in special education.

The Educator Preparation Programs are accredited by the Inquiry Brief Commission of the Council for the Accreditation of Educator Preparation (CAEP).
