## Charter Schools Office and Academy Highlights

The mission of the LSSU Charter Schools Office is *to ensure quality oversight and support to our authorized charter academies, resulting in students who are prepared for the next phase of life, whether it be attending college or entering the workforce.* We are proud of our academy's commitment to their students and the broader community. Below is some of the great work happening to help fulfill this mission.

### LSSU Charter Schools Office Highlights

#### GLSW Charter School Visit

The Charter Schools Office hosted more than 100 students, chaperones, and parents from our academies on October 23-24. Participants took part in a variety of campus activities, many visiting campus, and even crossing the Mackinac Bridge, for the first time.

Students experienced campus life firsthand during their stay in Osborn Hall and learned about preparing for college financially through presentations from Admissions and Financial Aid, as well as an interactive financial literacy activity led by our partners at Limestone Credit Union.

Academic programming was showcased through departmental visits, classroom interactions with professors, and guided campus tours. Students also enjoyed a glimpse of campus social life through events such as Battle of the Bands, Bedlam in the Cooper, Treasure Trek, activities in the Student Activity Center and Norris Center, and attendance at a Laker Hockey game.

Hosting this event during Great Lake State Week provided even more opportunities to highlight LSSU including the Arts Center Birthday Celebration, EMS Simulation Showcase, CFRE Open House, and Robotics Lab tours.

Feedback from students, chaperones, and parents was overwhelmingly positive, and we look forward to building on the success of this inaugural event. We extend our sincere thanks to all our university partners, with special appreciation to Kristin Graham and her team for their outstanding support.

#### 2025-26 Targeted Professional Learning for Academy Leaders and Staff

Professional learning for the 2025–26 school year is underway, focusing on the use and interpretation of NWEA reports, updates in special education legislation, and instructional support for novice staff. To date, forty-three participants from our charter academy leadership teams have attended these sessions, providing positive feedback on the learning opportunities offered.

#### Monthly Leadership Meetings

Charter academy leaders are required to attend monthly leadership meetings to receive updates from the Charter Schools Office and relevant state and federal agencies. Attendance has been strong, with 55 leaders participating in the first two meetings of the year. In November, we will launch our first *Lunch and Learn*—a voluntary extension of the monthly meeting featuring presentations and peer collaboration. The first session will be led by Shanina Draughn, principal of Macomb Montessori in Detroit, who was recently selected for the 2026 Detroit Surge Academy Fellowship, a program that develops and empowers emerging education leaders of color in the Detroit area.

#### Charter Guarantee Letter

Although the Charter Guarantee is not a new initiative, this year our office, in partnership with Admissions, sent Charter Guarantee Letters to seniors in LSSU authorized academies announcing their guaranteed admission to Lake Superior State University for Fall 2026, along with eligibility for the Charter Grant, Catalyst Awards, and Charter School Presidential Scholarship. These awards, which can be combined with other financial aid, make a Laker education more accessible and affordable for students from our charter academies, many of whom come from underserved communities. Charter Guarantee posters will also be displayed in each school to promote this opportunity. We are optimistic that this renewed promotional effort, combined with the GLSW Charter School Event, will encourage more students to consider LSSU as their first choice for postsecondary education.
