

Memorandum of Understanding
Lake Superior State University (LSSU) and
the Lake Superior State University Faculty Association (LSSU-FA)

May 18, 2026

Sections affected:

13.1.1

Statement of Problem:

Per the MOU on September 9, 2024, the Vice Provost for Accreditation and Assessment was change to the Assessment Coordinator to serve as an ex-officio member for the General Education and Curriculum Committees. We have hired an Associate Vice President for Assessment and Accreditation that would better serve this ex-officio role.

Solution:

The University agrees to change the ex-officio member for the General Education and Curriculum committees from the Assessment Coordinator to the Associate Vice President for Assessment and Accreditation. The Associate Vice President for Assessment and Accreditation will NOT have voting rights in either committee.

Provost and Vice President for Academic Affairs
